

Advice against use of a product named “Nature’s Vital Milk Thistle”

The Macao Health Bureau notified the Department of Health (DH) on 28 December that a product named “Nature’s Vital Milk Thistle” was found to have excessive amount of yeast, mould and bacteria. The product was manufactured by “G&G Food Supplies Limited UK” and wholesaled by a local company called “Euro-America Beauty Limited”.

After DH investigation, as the product is not classified as proprietary Chinese medicine or pharmaceutical product, the case has been referred to relevant Government department for follow-up.

Members of the public who have purchased the product are advised not to consume it and to consult health care professionals for any discomfort.
